

We're Celebrating "Top Dentists"!

We are pleased to announce that our office has received yet another recognition. In the latest **Washingtonian Magazine's** "Top Dentists" issue (2011-2012), our office has been selected among the many thousands of dental offices in the Washington, D.C. metropolitan area.

Our office continues our commitment to providing the best in dental care to all of our neighbors and community members in and around Fairfax. If you or your family, friends, neighbors and co-workers are in need of a personal dentist, please call our office to schedule an appointment. We look forward to seeing you at our office in the near future!

you. While dentists can gauge a league's skills, they don't always know if a fellow dentist has a good bedside manner, hires a pleasant and efficient office staff, or charges fair prices. It's best to use this list as one tool; you might also ask your workers, neighbors, and friends for the names of dentists in your area.
